WHAT ABOUT THE LOCATION ?

BEST OF BOTH WORLDS

Majengo Waweni gives you that peaceful **village vibe**, but you're not far from the action. We're **40 min from Mombasa** (Kenya's second-largest city) and just **20 minutes from Mtwapa**, a buzzing town with bars, restaurants, and nightlife. Plus, **the school is only a 10-15 minute walk to the beach**, so your downtime can include beach sunsets and a swim!

EXPLORE MORE

If you're itching to explore beyond the village, we've got local contacts who can help set up **tours and safaris** to make sure you see the best of Kenya at a local price while you're here.

SAMPLE WEEKDAY SCHEDULE

Schedules may vary slightly depending on your role, but here's what a typical day could look like!

8:30 AM – HEAD TO SCHOOL

Support a class, lead your own session, or work on a personal project (e.g. content creation, fundraising, workshops).

10:00 AM – BREAKFAST BREAK

Enjoy a snack with the kids — often mandazi and tea — a great time to bond informally.

10:30 AM – 12:00 PM – MORNING ACTIVITIES

Lead a workshop, teach English, organize sports, or assist local teachers.

12:30 PM – LUNCH WITH THE KIDS

Eat together and share stories over a hearty, home-style meal of rice with either beans, lentils, vegetables, or local specialties.

2:00 – 3:30 PM – AFTERNOON SESSION

Continue with another chance to lead or assist a class, or work on your individual project.

3:30 – 4:30 PM – OPTIONAL ENRICHMENT

Join yoga, help with reading and soft skills, or propose your own activity — from football to art. This is your space to get creative!

4:30 PM – FREE TIME

Relax at your homestay, explore the area, or head to the beach.

Weekends are free to rest, join local activities, or explore Kenya. We can connect you with trusted guides for safaris, beach trips, or cultural experiences — all at local prices.

ABOUT US

Hearts for Change began with a simple idea: that small actions, shared with heart, can spark big change.

What started as a dream to volunteer in Africa is now a collective global effort to uplift children and build brighter futures.

At the center of it all is Little Angels School — where education means hope, dignity, and opportunity. We're not just fixing classrooms; we're creating spaces where kids can dream and grow.

If you believe in the ripple effect of kindness and community, this journey is for you.
